**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

We are apposed to ANY increase that Tega Cay Water Service has applied for.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

TCWS has been granted several increases in the past few years and no improvements have been made. We are tired of hearing stories of sewage running into Lake Wylie due to the lack of attention on the part of TCWS. We filed a complaint regarding a leak we had in our front yard and it took over 1 year for someone to respond. Our water bills are extremely high already (close to \$130.00 last month for a family of 3) for the quality of service provided.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***
